PRAYER

Acting as Christ the Priest, a parish committed to stewardship strives to nourish each person through prayer, strengthening our relationship with the Father, Son, and Holy Spirit and focusing on the Eucharist, the "source and summit of the Christian Life."

What are the "O Antiphons"?

One of the oldest hymns in Christianity is "O Come, O Come Emmanuel" which has been sung since about the eighth century. The hymn is based on the antiphons (verses from scripture) that precede the Magnificat as part of Vespers (Evening Prayer) that are prayed each evening during the week before Christmas. We pray and sing in anticipation of the coming of Jesus as Emmanuel ("God is with us") using the various understandings of who Jesus is. The "O Antiphons" refer to the seven antiphons, or verses, that cover the special period of Advent preparation known as the Octave before Christmas, December 17 – 23rd.

The importance of "O Antiphons" is twofold: Each one highlights a title for the Messiah: O Sapientia (O Wisdom), O Adonai (O Lord), O Radix Jesse (O Root of Jesse), O Clavis David (O Key of David), O Oriens (O Rising Sun), O Rex Gentium (O King of the Nations), and O Emmanuel. And, each one refers to Isaiah's prophecy about the Messiah.
You may wish to consider praying one as a family each evening as you light the Advent wreath.

- 12/17/19 – O Wisdom – "O holy Word of God, you govern all creation with your strong yet tender care. Come and show your people the way to salvation."
- 12/18/19 – O Lord – "O sacred Lord of ancient Israel, who showed yourself to Moses in the burning bush, who gave him the holy law on Sinai mountain: come, stretch out your mighty hand to set us free."
- 12/19/19 – O Root of Jesse – "O Flower of Jesse's stem, you have been raised up as a sign for all peoples; kings stand silent in your presence; the nations bow down in worship before you. Come, let nothing keep you from coming to our aid."
- 12/20/19 – O Key of David – "O royal Power of Israel controlling at your will the gate of Heaven: Come, break down the prison walls of death for those who dwell in darkness and the shadow of death; and lead your captive people into freedom."
- 12/21/19 – O Rising Sun – "O Radiant Dawn, splendor of eternal light, sun of justice: come, shine on those who dwell in darkness and the shadow of death."
- 12/22/19 – O King of all Nations – "O King of all the nations, the only joy of every human heart; O Keystone of the mighty arch of man, come and save the creature you fashioned from the dust."
- 12/23/19 – O Emmanuel – "O Emmanuel, king and lawgiver, desire of the nations, Savior of all people, come and set us free, Lord our God."

frequently ASKED QUESTIONS SERIES

Holy Trinity Parish School Ministry

HOLY TRINITY PARISH

A NOTE FROM FR. LARRY

Founded on the four pillars of stewardship – hospitality prayer, formation and service – Holy Trinity Parish School Ministry provides a challenging academic environment for elementary and middle school students and their families. While parents are recognized and supported as the primary educators of their children, faculty and staff complement the development of the whole person – spiritually, intellectually, socially, emotionally and physically. Graduates of the School Ministry are servant-leaders who live as responsible, ethical and faithful disciples of Jesus Christ in service to others.

Given the School Ministry's critical role in our church's mission, we have an obligation to do all we can to ensure its success. Working closely with Mr. Chris Nelson, principal, and the Catholic School Department of the Diocese of Sacramento, our goal is to excel in preparing our students for their future.

Although four initiatives were tested in the planning study, a fifth topic – the School Ministry – arose multiple times during interviews and from written survey responses. Comments came from current and former School Ministry families and teachers, as well as other caring parishioners.

We want to assure everyone that we heard you! Below are the most frequently asked questions that surfaced about this topic during the campaign planning study.

Should you have any further questions, please don't hesitate to contact me at any time.

Yours in Christ,

Fr. Larry Beck

Fr. Larry Beck

How does our School Ministry compare to and compete with other Catholic, charter or public schools?

Holy Trinity students excel in math, English, science and reading. Broken down by individual grade level, 3rd through 8th graders exceeded national averages on all 24 subtests and diocesan averages on 21 out of 24 tests. 97% of last year's graduates earned ACT's highest "Gold Level" designation on the 8th grade exam, indicating that they are on track toward being prepared for 93% of jobs in the workforce. The annual local school comparisons are scheduled to come in January.

What are we doing to update computer software and technology in the school?

With a recent donation, the 1st through 8th grade classrooms now have over 100 Chromebooks that students are using. We are in the process of installing a fiber optics connection for faster, more consistent Internet. Additionally, the 40 computers in the lab are being updated with the latest Windows version. As funds become available, our intention is to update teacher computers and printers and acquire tablets for lower grade students. We extend a heartfelt "thank you" to our anonymous donors.

School tuition is well below where it should be, and we feel we're paying nothing. Is the cost of tuition being revisited?

On November 20th, parish and diocesan officials met with parents of the school community and discussed a plan to increase tuition. The final plan will be shared on January 15th.

While we need to increase tuition, our goal as a stewardship parish is to have our doors open to all so that as many families as possible can have a quality Catholic education.

(over)

We understand our school enrollment has decreased over the last 3 years. What is affecting this?

External factors affecting school enrollment include a 10-year trend of 60% less children baptized at Holy Trinity and the reality of two new schools recently opened nearby. Internally, we have experienced some teacher turn-over and funding shortfalls that limit our ability to expand activities and update technology.

How does the school communicate results of parent surveys and keep families updated on school issues?

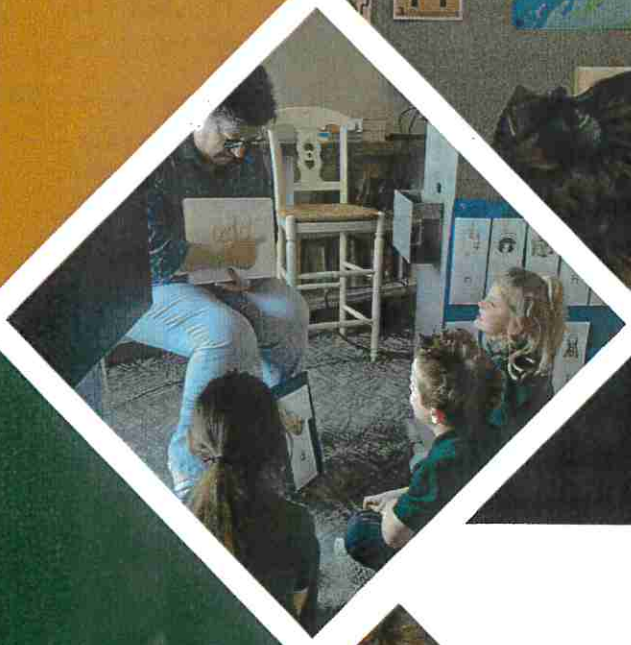
Parent surveys are presented at general parent meetings each Spring. Going forward, results will also be shared in our school newsletter and at student progress updates. Additionally, each family has individual on-line accounts to access their students' grades and homework in real time.

The parish and school need to do a better job marketing us to people moving into the area. What steps are we taking to get the word out?

Marketing is an area in which we need help. If you have experience and expertise in marketing and public relations, please come forward and help us highlight the many accomplishments of Holy Trinity Parish. Please contact our parish life director, Jeremy Youngers at *jyoungers@holytrinityparish.org* or call him at 530-677-3234.

Are we able to pay higher wages, benefits and retirement plans to recruit and retain talented faculty and administrators?

The Diocese of Sacramento has a pay scale that we are required to follow. Additionally, we provide adjustments for cost of living (COLA), years of service and additional certifications and degrees.



The *goal* of Holy Trinity's School Ministry is to help the Holy Spirit FORM YOUNG STEWARDS of *hospitality*, *thoughtful learning*, and *spirituality in action*.

FORMATION

Acting as Christ the Teacher, a parish committed to stewardship emphasizes, through evangelization and catechesis, the development of households of faith, where our Catholic story as the Body of Christ is lived and shared with one another.

Questions for Faith Sharing December 22, 2019, Fourth Sunday of Advent:

In next week's Gospel (Matthew 1:18-24), the account of Jesus' birth is presented from Joseph's perspective. His dilemma is resolved when in a dream an angel reveals that the child is conceived "through the Holy Spirit." The child to be born is the Son of God and the son of Mary. This is Jesus' identity: fully divine and fully human. This is our inheritance: "We belong to Jesus Christ" as God's beloved children called to be saints.

Reflection for families:

- How do you live out your identity of being "called to belong to Jesus Christ," as God's beloved child, called to be a saint?
- God asks Joseph to trust him through the angel's message. How is God calling you to trust in him?

Message from Ponte Palmero where Holy Trinity School Ministry's 6th grade students recently visited:

I just wanted to let you know how wonderful your children were today. They made crafts, talked, and sang to the residents. I wish you could have all been there to see the faces of the residents. It was pure joy! They truly brought me to tears. They gave of themselves today and it was so appreciated. Please give your children a big hug and let them know they are AMAZING!!! What a way to start this very special holiday season.

SERVICE

Putting into action our commission as Christ the Shepherd, Priest, and Teacher, a parish committed to stewardship serves the many needs of its own parish family, as well as the needs of the larger community and the world.

Stewardship…

"You too must be patient. Make your hearts firm, because the coming of the Lord is at hand." (James 5:8)

Patience is another one of those things many of us struggle with. We want things to go according to our plan and our schedule. Any change brings anxiety and fear. Through daily prayer we better align ourselves with God's will and His plan, which is far better than anything we can come up with on our own.

Christmas Masses

Contributions received from all the Christmas Masses will be directed to the Building Fund.

2020 Calendars

2020 calendars are available in the narthex after all Masses courtesy of Green Valley Mortuary. We ask that you please take one per family.

Giving Tree

Our parish Giving Tree is up in the narthex and provides a way for our collective parish family to support those in need throughout El Dorado County, Haiti and Kenya. Our 2019 Giving Tree will serve agencies and organizations that meet the needs of families throughout the year. Parishioners can select from over 700 ornaments from the Giving Tree in the narthex. We thank you in advance for making Christmas a little merrier for those in need.

Christmas Floral Donations

The Liturgical Environment Ministry is seeking donations for our Christmas poinsettia plants, greenery and floral arrangements. You may make your donation in memory of a loved one. A Mass for those intentions listed will be offered Saturday, **February 15** at 5:30 PM. Donation envelopes are in the pews and at the back of the nave. Your continuing generosity helps us create a beautiful worship environment for our parish Christmas celebrations.

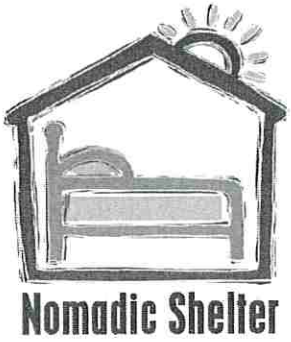
Flu Season-Suspension of Cup

The flu season has come early this year. The California Department of Public Health (CDPH) reports that the incidence of flu and flu-like illnesses is "widespread" and has reached a level requiring that we enact preventive measures to mitigate the possibility of infection at Mass. Bishop Soto has issued the following directives:

- The use of the Communion cup is suspended temporarily.
- Receive the Body of Christ in the hand (although receiving on the tongue is permitted)
- Do not shake hands. Offer the sign of Peace to those around you with a simple nod, saying "peace be with you."
- Do not hold hands during the Our Father.
- Extraordinary ministers of Holy Communion are reminded to cleanse their hands with an alcohol-based antiseptic before and after administering Holy Communion. This also applies to those who take Holy Communion to the home-bound.

The obligation to attend Mass on Sunday and other Holy Days does not apply to those who are sick. If you are sick, stay home and take of yourself. Thank you for your patience and understanding during this time. And pray for those who are sick. The administration of Holy Communion in both kinds will resume as soon as the Bishop deems it safe and prudent to do so.

Nomadic Shelter – Meal Prep Volunteers Needed



The Nomadic Shelter Ministry (NSM) is an ecumenical program that serves homeless persons in El Dorado County. Along with other area churches, Holy Trinity Parish (HTP) helps provide homeless guests with a warm and safe place to sleep during the winter months. Guests are served a hearty evening meal and a breakfast and lunch the following morning. Warm clothing, shoes, and hygiene items from Job's Shelters of the Sierras (JSS) clothing closet are also provided. In addition to serving the physical needs of our guests, we seek to minister to the soul and spirit, and provide each individual with a sense of dignity, safety and belonging.

HTP and Foothill United Methodist Church (FUMC) partner to provide a shelter and meals on the 1st and 3rd Monday from November through March. This year we will be expanding to one Thursday a month, as well. FUMC provides the shelter while HTP volunteers provide the meals.

You can make a difference in the life of someone who is homeless. Volunteers are needed to donate, prepare and serve meals. To join the NSM, use the following link to enroll and establish a user name and password in our Parish Ministry Scheduling Program (MSP):
http://www.rotundasoftware.com/no-dl/ministry/holytrinityparish?enroll=1
Once you are enrolled, you can volunteer on HTP's Web page: click on "Services", review the drop down menu under "Serving in Ministry", log in, click on "MY SCHEDULE", click on any of the assignments for which you wish to volunteer.
