

# Holy Trinity Parish Speaker Series

Coming August 10th: Patrick Saint-Jean, S.J.

Ignatian spirituality offers us tools for today's antiracist struggle, tools that are both spiritual and practical. As Patrick Saint-Jean, S.J., explains, the legacy of Ignatius of Loyola is accessible not only to Jesuits and not only to Catholics but to all followers of Christ. His book inspires our inner journeys, while it fuels racial justice in the outer world. As it challenges us to see the hidden parts of us that may unknowingly collaborate with systemic racism, it also affirms the power of Divine possibility embedded in even the darkest aspects of our world.

**Join Patrick Saint-Jean, S.J. on August 10th  
for a night of dialogue and prayer.**

## About *The Spiritual Work of Racial Justice*

The new book from Anamchara Books, *The Spiritual Work of Racial Justice: A Month of Meditations with Ignatius of Loyola*, written by Patrick Saint-Jean, S.J., is designed to lead the reader through a month-long Ignatian "retreat," focusing on racial justice. Following the format of the Spiritual Exercises, the book's first week focuses on the repentance and conversion necessary for the work of antiracism; the second week looks at racism with the illumination of Christ's life; the third-week centers on the crucifixion and how it applies to the experience of the Black community; and the fourth week celebrates the hope and transformation of living in Christ.
